

Gold Medal Wine Club's Pinot Noir Series

Congratulations!

You've been given a fabulous gift of world-class Pinot Noir!

As a *Pinot Noir Series* gift recipient, you are about to sample captivating, world-class Pinot Noirs from top winemakers of California and around the world.

Pinot Noir Series recipients have the rare opportunity to "journey" into the cellars of some of the world's top winemakers. Soon you will be uncorking some of the finest ultra-premium Pinot Noirs. The hand-selected featured wines are from top California winemakers and boutique International wineries from around the world. Every other month, we feature two different bottles of incredible, limited production Pinot Noirs, all highly regarded and worthy of your attention. Since you have a passion for Pinots, we know you will enjoy each and every selection.

Great wine and more

Each incredible selection is accompanied by our full-color *Pinot Noir Press* publication filled with insights about the featured wine, the winery, the winemaker and pairing recipes. Take a look at all of the winery recipes online at www.goldmedalwine.com

Reorder Discounts

Many recipients ask if they can buy more of the wines they receive. Additional quantities are available at substantial discounts off winery-direct prices. However, since we showcase only highly regarded, limited production wines, reorders are on a first-come, first serve basis and typically sell out quickly. Visit the Gold Medal Wine Store online for great values.
